**New York Chapter**

### "©rossing the Line? A Discussion of Ethical Issues in Copyright Matters"

Speaker: Stephen Gillers, Vice Dean and Crystal Eastman Professor of Law, New York University School of Law

Professor Gillers, one of the nation's leading experts on legal ethics, will discuss several hypothetical situations involving copyright law and legal ethics issues, including (subject to change) a lawyer's disclosure obligations in preparing copyright applications and negotiating work made for hire agreements, conflicts between two clients, representation of a new client by a lawyer with knowledge (from prior representation) of a client's enforcement strategy, and how the lawyer advertising rules apply to social media. This panel is a great opportunity to hear Professor Gillers, who is always an entertaining and informative speaker, while picking up those ever elusive Ethics CLE credits!
